(If additional application forms are required, please copy this form)	
Applicant Name:	
Company Name: (if applicable)	
Address:	
Telephone:	
Fax:	
Email:	
Session you wish to attend (circle/delete one only):	
Thursday July 27 th 1:30pm till 3:30pm	Thursday July 27 th 5:30pm to 7:30pm
Numbers are strictly limited. Positions filled on a first come, first served basis. If the session you request is already full, you will be contacted and given the option to switch to another session.	
Have own Laptop computer? (While a Laptop is not compulsory, it will help applicants get the most from the session)	YES / NO

Requirements:

Training suitable for beginners through to professional users. No previous experience of LightFactory is required to participate. LightFactory Starter Kits will be available for purchase at special rates for participants on the day.

A PC Notebook/Laptop computer running Windows 2000 or XP will be advantageous, allowing attendees to participate in project work during the session. If you cannot supply your own notebook we will pair you with another participant for shared work during the session.

Session Format:

Both sessions will follow the same format. Approximately one hour will consist of a complete product demonstration from basic operations through to advanced features and operation of LightFactory. Following the demonstration participants will work through practical projects utilising the features previously outlined. Questions will be addressed throughout the session where practical.
